Saturday, November 7, 2026 • 11:00 AM

All family and friends are invited.

OBITUARY

A life of faith, family, and purpose

Sherwin Lorenzo Crowell was born January 21, 1963, to Anne Smith Crowell and Andrew Crowell, and departed this life on October 21, 2026. He was a beloved man of God, husband, father, grandfather, brother, and friend who touched many lives with his kindness, strength, humor, and generous spirit.

After high school, Sherwin attended the University of the District of Columbia before joining the United States Army. His service allowed him to travel the world and reflected his dedication, courage, and commitment to his country.

Sherwin was a serial entrepreneur who approached every venture with energy and creativity. He founded Big Sho Jewelry, operated a landscaping business serving Washington, DC clients, and, with his wife, opened Enoch Men LLC, a used-car, tag, and title business in Cockeysville, Maryland. He was also skilled in carpentry and residential property improvement.

Driven by a desire to serve others, Sherwin joined his wife in plans for healthcare initiatives supporting underserved communities in Florida. He returned to school to pursue the CCMA (Certified Clinical Medical Assistant) credential, with graduation planned for February 10, 2027.

He cherished gardening and the art of growing food organically. His gardens included tomatoes, cucumbers, squash, string beans, okra, sweet corn, melons, spinach, and kale. He studied soil with remarkable care. He also loved barbecuing and baking, proudly calling himself “The Grill Master.”

Sherwin Crowell leaves to mourn his loving wife, Regina Crowell; his two sisters, Anita Crowell and Barbara Manzie; his brother-in-law, Timothy Manzie; Deon Crowell and Leon Crowell Sr.; his sister-in-law, Maritress Crowell; his two grandchildren, D-Andre Crowell and Javanghn Crowell; and a host of cousins, nieces, and nephews.

Sherwin leaves a legacy of love, laughter, faith, hard work, and deep devotion to family and friends. The memories he made and the lives he touched will be cherished forever.

With love, Regina Flucas Crowell

ACKNOWLEDGMENTS

With heartfelt gratitude

The family of Sherwin Lorenzo Crowell extends heartfelt thanks to the following businesses, ministries, and organizations for their kindness, prayers, and support during this difficult time.

Flucas Construction

A Maryland home improvement company operated by brothers Rafael Flucas and Mohammed Flucas. The licensed and insured business serves homeowners through residential improvements and renovation work, and offers free virtual estimates.

Scholarship Time

Led by Felicity Flucas and co-founded with her children, Scholarship Time is an online educational platform helping students and families research college scholarships, explore merit-based funding, understand eligibility, and plan pathways to higher education.

Enoch Men Nurse Staffing Agency

A licensed and insured healthcare staffing and in-home care organization serving individuals and families. Its mission is to help loved ones receive attentive support at home, with same-day service offerings and staff available on call 24/7.

Bishop Anthony Johnson - Restoring Life Family Ministry

A Baltimore, Maryland ministry offering prayer, spiritual encouragement, and faithful support to individuals and families, helping strengthen the community through a message of restoration and hope.

Crowell Ministries

A Kingdom of God ministry devoted to teaching biblical Kingdom principles and practical ways to live out faith, encouraging spiritual growth, Christian understanding, and purposeful everyday living.

Royal Gem Healthcare LLC

A Maryland home healthcare provider focused on compassionate, individualized assistance in the comfort of home. Its services emphasize dignity, independence, and support for families and the people they love.

A. Wash & Associates Established since 1997

A Washington, DC-based, licensed and insured electrical contractor and builder. Its work encompasses electrical services and construction support, including government contracting and building projects.
